Filleigh one winter... just 30 years ago and the *Dream* was becoming a Reality

We had a fund-raising Conker Night at the Stag's Head, with the champion being a local man, Terry Wyatt. (His picture and the competition made the local newspaper).

Angela Saxon's Cookery Book went for a second reprint, and is still being used in kitchens today!

"T'was a real, wandering wind that night"!

Three nights of Carol Singing and Can Rattling around the Parish took place, enabled by the loan of vehicles and drivers from Castle Hill Shoot and sustained with refreshments at Castle Hill and Clatworthy. Welly boots and thick coats were necessary!

At one December meeting the 8 tenders for the building of the new hall were considered, and reduced to 5. The contract eventually went to the Hulland Bros (Terry and Michael) from South Molton. Building costs were reduced by the offer of the Saxon family to utilise their equipment and help with preparing the car park area.
